

FISCAL NOTE

HB 1054 - SB 1200

March 21, 2003

SUMMARY OF BILL: Specifies that a motorcycle approaching an intersection, which is controlled by a traffic-control signal utilizing a vehicle detection device that is inoperative due to the size of the motorcycle, must come to a full and complete stop and, after waiting a reasonable period of time for the signal to detect the motorcycle, may proceed with due caution.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant
Decrease Local Govt. Revenues - Not Significant

Estimate assumes individuals who may have received a citation in the absence of the bill for proceeding through a traffic signal unlawfully will not be cited under the provisions of the bill resulting in a decrease in state revenues from fines. Clerks receive commission on fines collected. The state receives fine proceeds in accordance with TCA 55-10-303.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
